Dear Mr. Semborski:

The Division received your request for an extension on April 1, 2002 to address the slope configurations and mass balance discrepancies for the reclamation of the lower end of the Des-Bee-Dove Mine reclamation area. Your request is hereby granted until April 29, 2002 to address these issues.

If you have any question, please call me at (801) 538-5268.

Sincerely,
